Pre-K has been quite busy these past few weeks back. Our first week back in Religious school we each made our own *Hamsa*. These hand symbols are said to bring good fortune and protection from evil. We had a great time making Hamsa's in preparation to begin a new year.

Our Tu'BShevat preparation has begun and we look forward to learning more about the "Birthday of the Trees" in the next couple of weeks!

B'Shalom,

Suzanne
