3:00 p.m. Afternoon Alternative Insights & Discussion

Joyful Insights on Jonah

zoom.us/j/95597457348 Passcode: 652175

David M. Scott, R.J.E., will share deeper insights into the familiar story of Jonah. We will explore how the story of Jonah is a call to action in our own day, and how its story has resonated with us for so many generations. If you thought it was just about a man and a whale, get ready for an entirely new perspective!

Transcending the Harshness of the Yom Kippur Decree

zoom.us/j/95507248191 Passcode: 924947

A study session lead by Rabbi Aaron K. Sataloff will dive into the UnetanehTokef prayer, prompting participants to reflect on Judaism's challenging theologies presented by our liturgy. The themes of worship (tefillah), repentance (teshuvah), and righteous giving (tzedaka) will guide us in dissecting and addressing how we become "inscribed" on Rosh Hashanah, and "sealed" on Yom Kippur.
