*Led by Dr. Tom Cole, Director of Center for Spiritual Direction*

On Yom Kippur, we are expected to turn, to repent, to come home to our best selves. This session frames “Teshuvah” as a sanctuary that allows us to arrive at the joy of coming home. First, we will personally explore times in the past year when we were not at our best. Then, we will find and share ways to return to the goodness, generosity, and love that God sends and intends for us.

# WORSHIP SCHEDULE

**10:30 AM Yom Kippur Study Session · Finger Board Room**

**Is It Always Possible To Forgive?**

*Led by David Scott, RJE, Director of Lifelong Learning & Engagement*

On our holiest day, we will explore together the reasons why it is so hard to forgive others and especially ourselves. The concept of forgiveness has been challenging to so many generations past, and we will delve into rabbinic literature to learn more about how we can be more forgiving. As we discuss and learn how our ancient rabbis imagined God's forgiveness, we will hopefully come to new understandings about what forgiveness means for us today.
