### CCAR's New Reform Torah Commentary

The Central Conference of American Rabbis is embarking on a groundbreaking initiative to create a New Reform Torah Commentary, which will include a Reform translation for the first time ever. This commentary will offer a fresh perspective, bring modern relevance to our sacred texts, and reflect the core values of the Reform Movement: inclusivity, justice, and spiritual growth.

Contributions to the CCAR's New Reform Torah Commentary in honor of Rabbi Lyon can be made by scanning the QR code below. All contributions will be pooled together as a gift from the Congregation, and will help facilitate the work of the scholars, the physical production and distribution of the Commentary, as well as the development of educational materials designed to enrich learning in congregations nationwide.
